

Sierra College To Hold Bond Vote; Meeting Is Called

Trustees of Sierra College, who have recalled a \$2.5 million bond election for March 3 for expansion of present facilities to handle an additional 800 student enrollment, will meet with members of the college Citizens Advisory Committee Thursday, January 16, at 8 p.m. in the campus center, to discuss the matter.

The meeting of the advisory board with trustees and President Harold Weaver will be for the purpose of getting the wholehearted support for the issue which fell just short of the required two-thirds vote last September.

Harold Welch of Truckee, a member of the board, has invited Jack Felte of Kings Beach, Herbert Obexer of Homewood, Reginald Smart and Ivan Tofft of Truckee and others added to the committee will include Mrs. Fred E. Onorato of Squaw Valley.

Weaver, in informing the advisory committee of the meeting, pointed out failure of other recent bond issues in the area, but also noted that next year's enrollment at the college may exceed 1,500 in buildings designed for 1,000. The college must also match approximately \$180,000 in state funds and perhaps an equal amount in federal building funds if it wishes to receive those amounts.

Al Bequette and Ed Fellersen, superintendents of Placer and Nevada Counties, have been invited to the meeting.

what's your community worth?

The day may come when you'll want to sell your home. That's when you'll find yourself selling your community in an effort to get the best price for your home. ☐ This is an interesting experience because you suddenly realize that you have been blind to the gradual changes that have taken place through the years. These changes may or may not be for the better. And they can make the difference of several thousand dollars cash in your pocket! ☐ If the area around your home is improving, it's probably being accomplished with money raised through sale of municipal bonds—bonds for better fire-fighting equipment, schools, city government buildings, water and sewage facilities, parks and streets, etc. ☐ Good thing about municipal bonds is they protect you in two important ways: Bonds spread the cost over a long period of time to keep taxes at a reasonable level. And interest rates on your city's bonds are decided by competitive bidding to get the lowest rate under prevailing bond market conditions. ☐ The Bank of America and its associated dealers bid on virtually all municipal bonds issued in the State. We believe in Californians and California communities. And we're as eager as you are to see the value of your biggest single investment—your home—increase! ☐ You can make sure your property values do increase by taking an active personal interest in your local government. How? Vote in all bond elections and support bond issues for local and community improvements.

Tour of Truckee and Squaw Valley Monday. At Truckee Bethel and son, Pieter, had lunch with Princess Whitefeather. The Princess was advised that she had won

the contest entered in San Francisco and a gift certificate for first prize.

To Squaw Valley where Hans Von Nolte and Alex Cushing were tapping an interview and documentary on Squaw Valley to be shown on CBS out of Los Angeles. The gondola lift to the Gold Coast was in operation and we enjoyed a ride in the new enclosed car. It took almost a half hour to ride to the top of the lift and back—the

view was gorgeous with Lake Tahoe in the distance and the entire valley to overlook. The Lodge was packed with skiers and being a beautiful sunny day the non-skiers enjoyed relaxing on the deck. A recommended ride on any day.

The Tahoe Coin Club met at the home of Alfonso and Isabelle de Luque at Tahoe Vista on Monday night. Present at the meeting were Bonnie Bates, Catherine Abbott, Bethel and son Pieter Van Tassel, Curtis Hicks and Joel Sigismund. The evening was spent discussing trends in coin collecting and distributing the weekly newspaper of the entire numismatic field, Coin World. Refreshments were served and the next meeting scheduled for two weeks from Monday at the de Luque home.

George and Iris Alario of San Jose and Joe and Lee Aversente of Campbell were New Year's guests at the Tahoe Vista home of Bob and Mae Critchley. Enjoying dinner at the Crystal Bay Club New Year's Eve were the Alarios, the Aversentes, LaZelle Marley and daughter Sandi Olsen of Tahoe Vista, Bob and Mae Critchley and daughters, Karen, Cheryl and Kathy, and Bill and Jean Steovich and son Ricci of San Jose. The Alarios and Aversentes left

for Arizona and Mexico before returning home.

The mystery of the black cat and her two darling kittens was solved Sunday when Helen Chanda stopped by and recognized Amanda who has been missing since spring. Husband, Henry, assisted in taking the trio home to Agate Bay. Three cats now have a happy home.

Sheral Dependence of San Francisco and daughter and son in law, Lee Ann and John Richards of Sacramento spent New Year's with cousin Bethel Van Tassel and sons, Pieter and Jan and Janene Grignon of Kings Beach. The group enjoyed dinner together.

Bill and Pearl Drulias of Kings Beach spent the holidays visiting in Palm Springs, Las Vegas, Redlands and on to New Mexico.

Otis and Kay Wing of Kings Beach had a family reunion on Christmas Day. Those present were Mrs. Ione Yank, Otis sister from Yosemite, Judge and Mrs. Charles Perkins of Loyaltown, Jim Perkins, pro-football player for the Denver Broncos, of Denver, Colorado, Jack Perkins of San Jose. Gary Wing who came home from Sierra College at Rocklin, Mr. and Mrs. Duane Edmunds of Palo Alto, and Vern and Janice Wing.

Nikki Ann took her sister, Janice, back with her to Palo Alto to spend the remainder of the Christmas vacation there.

Roy and Nellie Porath and children Vicki and Danny of Kings Beach were Los Angeles visitors over the holidays. Visited Clarence Schrader, vice president of the Schick Razor Company who was a former resident of Agate Bay.

Bob Snell is back home at Kings Beach after undergoing surgery in Reno. Wife, Bea, reports he is recuperating nicely.

Jim and Lu Currie visited Fort Huachuca, Arizona, with their son and family, Bob and Isabelle and children, Jamie and Denita.

"Separate Room" promises to be a good play. Will be given at the Crystal Bay Club these next two weekends. The Tahoe Squaws are sponsoring the project and tickets may be obtained from them or the Greater North Lake Tahoe Chamber of Commerce in Kings Beach. The cast includes Barbara Gillmore, Mike and Debbie Laferrier, Randy Fox, Dave Merrick, Marvin Schwartz, Marguerite Ashton, with Dave Stollery directing.

The Sam Harrisons are spending a vacation at their Kings Beach home from San Francisco. Guests over the holidays were the George T. Davis family of San Francisco. Mr. Davis was one of the attorneys on the Chessman case and prominent in his profession. However, he had the misfortune to break his collar bone while skiing.

The Harrisons will go to San Francisco next week so he can attend a meeting of the War Memorial Board of trustees of which he is a member.

John and Kim Vance and daughters, Kimie, Salley and Betty and their two friends, Janice and Sharon, Dick and Lorena Vance and children Sparkey and Terry of the bay area were guests last week of Don and Sally Vance at Kings Beach.

Erna and Whitey Sumner, summer residents of Brockway spent the holidays in Hawaii.

Winona Hall of Kings Beach flew down to Carlsbad, California, for Christmas with her son and family, Paul and Marian Martin and their five year old twin daughters, Cynthia and Constance. Re-

turned by way of Sacramento and spent New Year's with her hon, Ray and his wife.

A 4 o'clock in the morning phone call from Homestead, Florida, awakened LaZelle Marley of Tahoe Vista to inform her of the birth of her first grandson. The baby is the second child of her son and his wife, Robert and Nina Olson.

The Greater North Lake Tahoe Chamber of Commerce board of directors will meet today, January 9, 10 a. m. at the Olympic Village Hotel in Squaw Valley as guests of Fred Onorato.

The next event to be sponsored by the chamber will be the Tahoe Sierra Dog Derby scheduled for March 14 and 15. This will be the third annual dog derby at Lake Tahoe. Bob Daneri is chairman and Lyle Gunkel, co-chairman. There is a tremendous amount of work involved in this event, especially a sporting event that will be held outside for spectators. The location has been selected on Mt. Rose for the course with an alternate on the Brockway Golf course.

The Optimist Club will have the concession stand again this year. They have had a stand the past two years and plan on expanding their booth.

One of the first entries anticipated is Gary Gunkel of Tahoe Vista who is expected back from Alaska any time now.

It was interesting to learn that Dick Clark has purchased Cherokee I from Sidney Ehrman of Sugar Pine Point, Lake Tahoe and San Francisco. Ehrman's daughter, Esther, raced the boat in the early 40's and was a consistent winner in her racing class, the victories being assisted by blasts from an oxygen flask into the carburetors of its engine at the crucial moment. The boat was built in Detroit about 1924, a Belle Isle and one of the first types of planing hulls similar to Garwood and Cris Craft which followed in later years.

Dick is rebuilding the boat engine and hoped to enter it in the Lake Tahoe Regatta. Esther Ehrman who is now Mrs. Claude Lazard of Paris plans to come to Lake Tahoe to watch the boat race if Dick is able to get the Cherokee I ready for the regatta.

Robert and sister, Joanne Ziegler of Los Gatos were Kings Beach visitors over the holidays.

LOCAL SKIERS STAR IN SQUAW EVENTS

SQUAW VALLEY — Dennis McCoy, 18, and his sister, Penny, 14, of Mammoth Mountain shared honors as winners of the 14th annual Anniversary Birthday slalom races down the Olympic area of KT22 Sunday at Squaw Valley.

Dennis was clocked at 46.5 seconds on his first run and 49.5 on the J. E. Faustinas, the latter two couples from Homewood, the Jack Knorpps. The dancing music of the Esquires brought many dancers on the floor, two that really know their routines are Jack and Darlyne Knorpp.

Frank and Marguerite Austin and children, Donnie, Randy and Pauletta of Tahoe Vista spent the holidays in Sacramento. Donnie had a double celebration—Christmas and his birthday. Contrary to the usual person who has a Christmas Day birthday that somehow is lost in the celebration, Donnie always has a special cake following Christmas dinner and birthday presents. This was his 14th birthday and it was a real celebration.

Pauletta returned to Reedley College at Reedley after the holidays after spending time with her parents.

The Austins daughter, Sharon and husband Bud Wheeler and their baby son, Steven, have moved to Phoenix from Sacramento following his discharge from the air force. Bud was stationed at McClellan Air Force Base in Sacramento and has a sister in Phoenix whom the Wheelers visited while looking for a new home and position. The Wheelers were fortunate to find both and are looking forward to their new home.

Steven Wheeler celebrated his first birthday on January 7 and his mother, Sharon, celebrated her birthday on January 8. Steven couldn't wait another 45 minutes that a joint birthday could be celebrated so two days were spent celebrating birthdays.

Mrs. Martha Holmes of Yuba City recalled her wedding day January 8, when she was married in Sacramento in 1908 and took the train to Reno with her late husband, Emery, and spent a honeymoon at the Riverside Hotel. Both of the Holmes were born in Placer County, near Auburn, and always spent their vacations in the Sierra.

The Riverside in 1908 was the place to go as it is today. Just think that in 56 years that my Mama recalls, the Riverside and Reno has always been interesting and enticing.

Meeting the Obexers of Homewood the other evening recalls to mind our first visit to Lake Tahoe many, many, many years ago. It was the middle of August when a Holmes family reunion camped at Homewood with the parents of Norma Williamson Obexer. After a couple of delightful days a storm blew in and during the night about four inches of snow fell on our beds! Needless to say, the hardy outdoor campers packed bag and baggage and our family contingent drove in a furious storm down the old Dog Valley grade into Reno to visit the E. L. Drappo family—my mother's sister.

Perhaps the starting of the New Year and the seventh season at Lake Tahoe has brought forth reminiscences of our childhood visits to the Sierra. Even though we are newcomers to Lake Tahoe Bethel was born in Placer County and still has many family ties.

How about letting us know of others who are more or less native to this area? Those from Towle, Alta, Cisco Grove, Baxters Camp, Dutch Flat and Crystal Springs. Did anyone spend Saturday nights at Crystal Springs dancing to the Schreck's orchestra. And how many danced to Dick Jurgens band when he started on the west side? A school friend played many years with Dick Jurgens.

This is all by way of saying—let's hear from our readers and have some news—today's or yesterday's!

BURGLARY CHARGED IN CIGARETTE THEFT

TAHOE CITY — A criminal information charging burglary was filed last week against Selby Phillips, 31, who was accused of taking cigarettes from the Safeway Store at Tahoe City on September 11.

Despite the protest of Public Defender Fred P. Tuttle, who held that if any crime had been committed it should be classified as petty theft, Judge Frank Farnsworth ordered Phillips held for trial. He is under \$2,200 bail.

Phillips is accused of attempting to take three cartons of cigarettes from the market.

OPPOSITION RAISED TO SOUTH LAKE NAME

AUBURN — The board of supervisors has announced its opposition to the name of South Tahoe City suggested by a group spearheading the incorporation of a municipality at the south end of Lake Tahoe.

Supervisor Chairman William Briner, who lives in Tahoe City, Lake Tahoe, stated the proposed name is confusing. He suggested the organizers of the incorporation move come up with another name.

Opposition to the name also was made by members of the Tahoe City Fire Department.

In Maryland — Local friends have learned that Lt. and Mrs. William Preston and five children are in Glen Burnie, Maryland where he is stationed in the U. S. Navy.

the second to win with a combined total of 96 seconds on the hard pack and icy snow through the 43 gate course.

Miss McCoy totaled 117.3 seconds, defeating Patty Kelly of Sugar Bowl who scored 122.4.

Vicki Jones, Tahoe Ski Club's hopeful, flipped on the ice but was not injured.

In the men's Class C, Sam Medford won in 98.8 seconds. One hundred skiers took part in the races.

OLD TRAFFIC TICKET LEADS TO BIG FINE

GRASS VALLEY — Gary Allen Mostad, 24, Olympic Village, was fined \$117 in the Nevada Judicial District Court last week or given an alternative of spending 22 days in the county jail when he appeared in court for a traffic ticket he received in August.

Judge Verle Gray fined him \$100 for failure to appear and \$17 for the traffic violation, an illegal pass. Mostad had not paid the fine so was remanded to jail.

ON SKI TEAM

Bob Forster of Soda Springs is expected to replace Henry Hamilton of Long Barn on the Sierra College ski team. Hamilton broke a leg while skiing at Mammoth Mountain. Forster will be number four man in the slalom and downhill events.

NEVADA COUNTY IN DISPUTE WITH STATE OVER USE OF NAME

Four ex-Noble Grand Humbugs of William Morris Stewart chapter of E. Clampus Vitus announced they would seek an injunction against Nevada Governor Grant Sawyer and the Nevada Legislature regarding use of the name "NEVADA."

The former Clampus chapter, now combined with William Bull Meek, is named after William Mor-

ris Stewart who made his historic mark in Nevada City before moving to Nevada where he was instrumental in formation of that state and became its first U. S. Senator.

The four ex-NGHs believe it is particularly fitting that they challenge the state of Nevada over use of the name "Nevada" since very probably William Morris Stewart gave the new state that name to honor his former home in Nevada City, not knowing the difficulties to follow.

However, over the years the state has grown to such promi-

nence that it is now confusing to residents of Nevada County and Nevada City, California. Mail is increasingly being misdirected, new acquaintances invariably accuse local residents of living in the state of Nevada. This is not only inflammatory and injurious but also causes distress and mental anguish.

Legal means are being sought to cause the state of Nevada to cease and desist use of that name as it rightfully belongs to California. The City of Nevada was formed at the beginning of the great California gold rush and was then called simply "Nevada." On April 25, 1815, the County of Nevada was formed by the California Legislature and the City of Nevada was also incorporated to become Nevada City, the county seat.

All this took place 12 years before the U. S. Congress recognized the state of "Nevada." This mandate is being sought on the eve of the 100th anniversary celebration of statehood for Nevada during 1964.

Ex-NGHs Tom Walsh, R. Peter Ingram, Dan Pello and Robert M. Wyckoff of William Morris Stewart Chapter, all native Californians, believe the misnomer has been carried on long enough and that the area might more properly be called "East California."

GOVERNOR SUGGESTS ANNEXING GAMBLING

SACRAMENTO—(CNS) — Governor Edmund G. Brown has countered the suggestion of Nevada Governor Grant Sawyer that Nevada County and Nevada City be annexed to Nevada by proposing that all of the gambling area on the east side of Lake Tahoe be attached to California.

Brown told a news conference he had no comments on the "controversy" over the use of the name "Nevada" by the neighboring state.

"I think that the thing that I'd like to do more than anything else is attach that strip on the other side of Lake Tahoe and close down all those gambling joints," Brown said.

In a more serious vein, the governor said he would not hesitate to place the question of land acquisition at Lake Tahoe before the special session of the legislature in March if it were necessary. The Nevada legislature is scheduled to meet in special session later this month to consider land purchases for a park at the lake.

Brown said he doubted any new legislation would be required for California to participate but, if it was, he would put the matter before the lawmakers.

"This is very, very important to the future," Brown said. "The resource of Lake Tahoe is absolutely beyond value. It's the greatest treasure, I think, that we have in the United States today."

The first shipment of flour ever to reach San Francisco was brought into the harbor in 1848.

PAUL LEAKE HEADS EQUALIZATION BOARD

SACRAMENTO — Paul Leake, Woodland newspaperman, is again the chairman of the state board of equalization. The tax board is the third largest revenue agency in the United States, exceeded only by the U. S. Internal Revenue Service and the New York Department of Taxation and Finance.

A lifelong Democrat, Leake was appointed in 1952 to the state board. He was the choice of Republican Earl Warren, then the governor of California and now the chief justice of the United States.

As soon as he had taken the oath of office, Leake single-handedly sparked a move to create a new state liquor department. He sought to deprive the tax board of the duty of enforcing the liquor laws.

Leake charged numerous irregularities in liquor law administration. His hard-hitting attack resulted in three members of the legislature and six liquor agents being sent to the penitentiary. William Bonelli, dean of the state board and "liquor czar of California," was indicted. Bonelli escaped trial by fleeing to Mexico and avoiding extradition through legal technicalities.

Leake also exposed the questionable lobbying activities of Artie Samish for the liquor interests.

The legislature finally submitted the separate liquor department proposition to the people. It was readily approved.

RAY FELLOWS NAMED ON DISTRICT BOARD

KINGS BEACH — The appointment of Ray Fellows of Carnelian Bay to fill the unexpired term of Dr. Hillard Holmes of Kings Beach as a member of the board of the North Tahoe Fire Protection District, was confirmed at the meeting of the board Tuesday night.

Dr. Holmes resigned his directorship when he moved his residence to Incline Village, Joe Fulton, fire chief, announced. His term was scheduled to expire in April.

Other members of the board are Lyle Gunkel of Tahoe Vista and Dr. Alan Sklar of Kings Beach.

**ALIENS ARE REQUIRED
TO REGISTER SOON**

C. W. Fullilove, district director of the immigration and naturalization service advised today that the annual alien address report program is under way.

According to Fullilove, 263,000 aliens reported their addresses last year in the San Francisco district area. The number this year is expected to be slightly larger. Fullilove attributes this anticipated increase to the continued influx to this area.

The immigration official pointed out that the address reports are required by law and willful failure to comply with those requirements may lead to serious consequences.

Forms with which to make the reports are available at all post offices and immigration and naturalization service offices.
